A CUP OF CULTURE, BERLIN

In 1994, I had a vision and founded "Barcomi's Café & Kaffeerösterei" in Kreuzberg. It's a special place, resembling those you would find in New York – a place to enjoy life with all your senses, offering real house-roasted coffee and handmade pastries.

Barcomi's is unique and still guided by this original idea. Maintaining high-quality standards, delicious pastries, and great coffee is a must for us.

We hope you enjoy your time at Barcomi's.

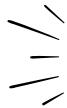

Kx Cynthia

BARCOMI'S SPECIALTY COFFEE

Since 1994, Barcomi's has stood for exceptional coffee. For our specialty coffees, we select high-quality green coffees from carefully chosen growing regions and develop our own roast profile for every bean and blend. Our coffees are traditionally and carefully roasted in a drum roaster in Kreuzberg.

As standard, we serve our House Blend and Nicaragua Espresso Blend.

House Blend Coffee combines Tanzania Typica Kilimanjaro, Colombia Excelso from Antioquia, and Brazil Alfenas Mundo Novo. Mild and full-bodied, with delicate acidity and a distinctive spicy aroma.

Nicaragua Espresso Blend combines Nicaragua SHG EP from Matagalpa, Brazil Alfenas Mundo Novo, and India Parchment AB. This blend of 82% Arabica and 18% Robusta is roasted in a bold Italian style and is full-bodied, balanced, and rich, with delicate notes of pomelo, citrus, and floral undertones.

AROMATIZED COFFEE

If you prefer your coffee with a more playful, sweeter twist, you've come to the right place. Our aromatized coffees are made using our House Blend as a base and enhanced with the following flavors:

Caramel | French Vanilla & Hazelnut | Kona Macadamia Nut | Almond Nougat | Peanut Butter Chocolate
Cinnamon Nut Cream | Swiss Chocolate Almond | Swiss Chocolate | Irish Cream | Coconut Cream

SPECIALTY COFFEE

Want to explore beyond our House Blend or Nicaragua Espresso Blend?

All of our coffee and espresso drinks can also be prepared with one of our other specialty coffees.

Read more about each coffee below and simply let our team know if you'd like to try a different one when placing your order.

Enjoyed your coffee? Grab a bag of beans – whole or ground – on your way out.

COFFEES

India Monsooned Malabar Coffee comes from Chikkamagaluru in Karnataka and undergoes the traditional monsooning process, during which the beans are exposed to humid monsoon winds for several weeks. With an **SCA Score of 82.5**, this 100% Arabica has a bold body, very low acidity, and subtle notes of cardamom, cocoa powder, and tobacco.

Guatemala La Morena is a washed 100% Arabica from Huehuetenango and Baja Verapaz, grown by 1,796 female coffee farmers at elevations of 1,400–1,700 meters. With an **SCA Score of 84.25**, it combines notes of stone fruit, lime, and caramel with a sweet, balanced flavor and silky body. The coffee supports the Coffee for Gender Equity project, helping strengthen the economic independence of female coffee farmers in Guatemala.

Costa Rica Finca Frailes Anaerobic is a 100% Arabica microlot from Santa Cruz in Tarrazú, grown at approximately 1,600 meters above sea level. The fully ripe coffee cherries undergo anaerobic fermentation before being sun-dried. With an **SCA score of 87**, this exceptionally sweet coffee delights with notes of cinnamon, red apple, and brown sugar, complemented by a long, juicy finish.

Colombia Decaf is a washed 100% Arabica from Huila, Colombia, gently decaffeinated using the CO₂ process. With an **SCA Score of 84**, it combines lively acidity and pleasant sweetness with notes of gooseberry, green grape, and malt — aromatic and balanced, whether enjoyed as filter coffee or espresso.

ESPRESSOS

Colombia Excelso is a washed 100% Arabica from Huila, Colombia, grown by smallholder farmers at elevations of 1,300–2,100 meters. With an **SCA Score of 83.75**, it is the mildest of our espressos: smooth and balanced, with harmonious acidity, floral notes, and subtle hints of dark chocolate, citrus, and black tea.

Ethiopia Mocca Sidamo is a washed 100% Arabica from the Sidamo region, grown at elevations of 1,500–2,200 meters. With an **SCA Score of 84.75**, it offers delicate sweetness, lively acidity, and floral notes of jasmine, black tea, and bergamot. A shorter roast helps preserve its fruity and floral character.

India Monsooned Espresso Blend combines Monsooned Malabar Aspinwall, Monsooned Robusta AA from Balehonnur, and Tanzania Typica Kilimanjaro. The blend consists of 82% Arabica and 18% Robusta and offers a subtly earthy, slightly bitter aroma, a bold body, and very low acidity. Its distinctive character comes from the traditional monsooning process, during which the green coffee is exposed to humid monsoon winds for several weeks.
